

Hi Parents:

Hope your week is going well! Wednesday folders will be sent home tomorrow along with a note about viewing grades using the myLLA link on the school website. If you have forgotten how to view grades, I have included this information after the classroom news. I still have been unable to view STAR Parent reports on Renaissance, thus I will be sending home a STAR Family Report in your child's folder this week. Thank you for signing and returning your child's Wednesday Folder, the myLLA note and the STAR Family Report on Thursday. By Friday, students should have 25% of their AR goal for the quarter to be up to date.

Picture day is tomorrow, August 31. All students will receive a **Registration Packet** which includes 1-5x7, 2-3x5's, 4-2x3's, 8 mini wallets, and a Classroom Composite. The fee for this packet is already included in tuition. Nothing needs to be filled out to receive the Registration Packet. If you would like to order ADDITIONAL photos, please refer to the Wednesday Word.

Some parents have asked what paperwork they need to fill out to volunteer on day field trips. The following link gives you the information <https://www.lla.org/about/volunteer>. For our first field trip to Cal Skate you would need to have the first option (Volunteer Field Trips Basic Drivers) filled out. If you signed up to chaperone for our Outdoor Science School trip, you have to complete the second and third option (Volunteer field trip extended overnight and Live Scan). If you have any questions about these forms you can contact the elementary office at 909-796-0161 ext. 1001.

Students are completing their agendas on a daily basis and are getting points for having their parent(s) initial that they have seen their child's agenda. If there is ever a question as to what homework is for the night, you can check the classroom website: [www.lla.org/hubbard](http://www.lla.org/hubbard).

Have a wonderful day!

# LOMA LINDA ACADEMY

Dear Parents,

Loma Linda Academy has a very helpful and easy-to-use parent portal that we call your "MyLLA" portal. Here are some instructions on how to access some of the many helpful resources that are available.

## Parent Access to the myLLA Portal

1. Visit <http://www.lla.org>
2. Click on the myLLA link on the top
3. Log in using your username and password. If you don't remember it, you can click on the "Forgot login or First time logging in?" link to change it.
4. **GENERAL PARENT RESOURCES:** Once you're logged in, you'll see a bunch of boxes that contain general resources that you'll find helpful. Among those links you can access Smart Tuition to pay for tuition, the monthly lunch menu, Information about volunteering, the handbook, parent calendar, Wednesday Word, and uniform store website, and more.

5. **CHILD-SPECIFIC INFO.:** To access child-specific information, look on the top left and you'll see the "Children" tab. If you only have one child enrolled, you'll just see his/her name. Click on that and select the child that you'd like to see information for.
6. This is where you'll see a summary of your child's grades, conduct, and attendance. Click on any of these for more details.
7. From this view, you can also access the following:
  1. **CLASS INFO.:** To access your child's teacher's "**Bulletin board**", scroll down to the course lists and click on the course that says "Grade \_\_\_ Homeroom - <your child's teacher's name>." Some teachers may also have a "**Topics**" tab that you can click on that will have more resources or information for you. NOTE: Since this is our first year using this myLLA portal, many teachers are still developing their Bulletin boards. If it's not visible yet, check back in a week or two for more information.
