

February 14, 2023

Hello Parents:

Happy Valentine's Day! I want to say a huge THANK YOU to everyone who sent in food/money and/or came in and helped for our Valentine's Day meal! We had so much fun with our Kindergarten Buddies, and the food was delicious. Thank you also to our room moms, Gerilyn Villamor and Sarah Oh, for organizing everything with the Kindergarten room mom, Marlene Masters!!! Click on the link below to view the pictures from today.

Third quarter is flying by. Students should be working towards meeting their entire AR goal by Wednesday, March 22. By this Friday, students should have 55% of their personal goal. Please continue to be checking MyLLA on a regular basis. Grades do fluctuate. I will be sending home Wednesday Folders tomorrow. Thank you for signing and returning your child's folder on Thursday.

Students will be taking their Ch. 4 math test this Thursday, February 16. Tomorrow we will review any questions from the two practice tests and quizzes students have completed in preparation for the final test. Students are encouraged to review all of their completed assignments on the Big Ideas website. They can also review concepts covered in this chapter on IXL or by looking at the skills trainer activities also found on the Big Ideas website.

We had a wonderful read-a-thon last week! The class and I enjoyed the relaxed day of reading. ☺ Several students took AR tests throughout the day. Thank you to everyone who sent in snacks; we enjoyed them. Students have until Tuesday, February 21 to turn in their donations, so we can see which team raised the most money. If anyone would prefer to make an online donation, just click on this link: <https://lla.myschoolapp.com/page/support-lla/donate-online?siteId=1289&ssl=1>.

You will need to select "Other" under "Area of Need" and type Mrs. Hubbard's 6th grade class. Thanks again for your support

On Wednesday, February 22 all sixth graders will be spending the afternoon at the Junior High. A burrito lunch will be provided. After lunch students will get to visit the different classrooms and teachers, so they can get a little feeling for what next year will be like. We will come back to the elementary campus for dismissal at 3:15 p.m.

Just a reminder students need to keep all of their Social Studies projects in a safe place at home until the end of the school year. We will be using them for our classroom museum. To date, students have completed their Maya and Aztec final projects and gourd.

Please remember there is no school this coming Monday, February 20 in honor of Presidents' Day. Hopefully you get to enjoy the long weekend with your child(ren). ☺ Have a wonderful afternoon!

Important Dates

Feb. 20—No School...President's Day

Feb. 22—Junior High visitation day. We will be on the JH side from 12:15-3:10 p.m. Lunch is provided. Students will be picked up from the elementary campus at 3:15 p.m. like normal.

March 22—Students need to meet their AR goal by this date.

March 24—Third Quarter Reward Movie...To participate students must have NO missing work, have passing grades and have achieved their personal AR goal.

April 4—Easter Brunch

April 5-7—Thousand Pines Outdoor Science Camp
