

February 28, 2023

Hello Parents:

Happy Tuesday! I hope you have had a great start to the week. Wednesday folders will be sent home tomorrow. Thank you for signing and returning your child's folder on Thursday. Students should have 75% of their AR goal by this Friday, March 3; their entire AR goal is due by Wed., March 22. Please continue to be checking MyLLA on a regular basis. Grades do fluctuate.

This past Friday, the class started making their rain forest animals. Students will have several hours over the next three days to complete this project. Those who do not complete their rain forest animals in class, will need to finish them at home. Students will be able to take home the needed supplies from the classroom if they need to finish this project at home. **Rain forest animals need to be completed and approved by Friday, March 17.** Once this project is completed, it needs to be kept at home in a safe place until the end of the school year. We will be using it for our classroom museum.

All students will also take class time to make their own rains stick. Once we complete this project, students will take their rain sticks home to keep in a safe place until the end of the school year.

We had a wonderful read-a-thon a couple weeks ago! Thanks again to those sent in snacks and/or made donations. We raised \$1832.90 that will be put towards classroom needs. "The Book Finders" made up of Bria, Samuel O., Chloe and Luke O. averaged the most money raised and will get a free lunch delivered before spring break. Individually, Annilyn & Kayleigh raised the most money and Sarah read the most pages for the day. They will each receive a prize as well. Thanks again for your support!

Thank you to everyone who has already completed the CampDoc form for outdoor school. Thousand Pines Camp requires that every person who attends outdoor school complete this form. At this point, we need a CampDoc completed for every student. Overnight parents will also have to complete this once we know who will be attending. Here is the link to access the CampDoc: <https://app.campdoc.com/!/dn/login?r=gaos%20lla04052023>. Once you provide an email, you will be sent a link to set up a password. From there, you will have to answer several questions. It takes about 10-15 minutes to complete. You will receive a confirmation email after you have completed everything. If you have not received a confirmation email, that means you have not fully completed all parts of the CampDoc. **Please fully complete the CampDoc for your child by Monday, March 6.**

Have a fantastic afternoon!!

Important Dates:

March 6—All **student** CampDoc forms should be completed for Outdoor School.

March 12—Daylight Savings Time Begins

March 17—Students need to have their rain forest animal completed and approved by this date. (Please note the animal should be completely dry, so students should not be completing this project the night before.)

March 22—Students need to meet their AR goal by this date.

March 24—Third Quarter Reward Movie...To participate students must have NO missing work, have passing grades and have achieved their personal AR goal.

April 4—Easter Brunch

April 5-7—Thousand Pines Outdoor Science Camp

cushion	session
collision	region
decision	opinion
religion	definition
direction	erosion
caution	

CLASSROOM NEWS:

SOCIAL STUDIES PROJECTS—Students need to keep all their Social Studies projects until the end of the year for our classroom museum. To date, students have completed their gourd, Maya & Aztec final projects. Students are currently working on their rainforest animals and their rain sticks. ☺

END OF QUARTER—Third quarter ends **Friday, March 24**. Students are expected to meet their AR goal by **Wednesday, March 22**. There is time provided every day for students to take tests. Please encourage your child not to wait until the last minute.
