Hello Parents:

Happy Tuesday! Wednesday folders will be sent home tomorrow. Thank you for signing and returning your child's folder on Thursday.

We are completing our NWEA Map testing this week. Students do not need to do anything to prepare for the test. You can help your child do his/her best on this test by making sure he/she gets a good night's sleep (at least 8 hours) and a nutritious breakfast.

Students should have 25% of their AR goal by this Friday, January 27. Their entire goal is due Wednesday, March 22. To date, we have read a total of 10 AR points in class and library that students have been able to test on. Students do need to be sure that they are reading independently as well to stay up-to-date with their weekly AR goal. Thank you for checking your child's progress on MyLLA. Grades do fluctuate. Please remember that late work is a zero for the rest of the school year. Students have been given two homework passes that they are allowed to use for daily assignments over third quarter.

We will be having our class read-a-thon on Thursday, February 9. This will be a fun day to read and get some AR points. Next week, students will be given their pledge sheets for this event. Pledges can be made two ways: flat rate or per page. The team who raises the most money will get a reward. The funds raised will go toward classroom wish list items and classroom needs. Students are encouraged to bring a snack to share with the class on Feb. 9. Snack ideas include: apples, cuties, bananas, popcorn, string cheese, go-gurts, chips/crackers & granola bars. Please send enough in for 28 people. Thank you!!

Thank you for making sure your child keeps all of his/her S.S. projects until the end of the year for our classroom museum. To date, students have completed their Maya and Aztec final projects & gourds.

Thanks for your continued support. Have an amazing afternoon!
