Hello Parents:

Hope you are having a wonderful day! Wednesday folders will be sent home today. Thank you for signing and returning your child's folder on Thursday.

Second Quarter grades are available to view on MyLLA. If you have any problems viewing your child's grades you can contact the elementary office, and they can help you.

Thank you for the surprise birthday party/class breakfast last Friday! I was spoiled with delicious food that included a homemade birthday cake in my favorite colors, beautiful drawings and amazing gifts. Thanks for making me feel so special!!

We will be having our class read-a-thon on Thursday, February 9. This will be a fun day to read and get some AR points. Students were given their pledge sheets yesterday for this event. Pledges can be made two ways: flat rate or per page. The team who raises the most money will get a reward. The funds raised will go toward classroom wish list items and classroom needs. Students are encouraged to bring a snack to share with the class on Feb. 9. Snack ideas include: apples, cuties, bananas, popcorn, string cheese, go-gurts, chips/crackers & granola bars. Please send enough in for 28 people. Thank you!!

Tuesday, February 14 is Valentine's Day. Students who wish to bring in Valentine's to share with their classmates may do so. They just need to bring enough for every student. There are 27 students in class. I have included a student list on the next page if students want to personalize their Valentine's. We will also be having a Valentine's lunch with our Kindergarten Buddies. Please click on this link <https://www.signupgenius.com/go/5080D45A9A623A4F58-hubbard> to see how you can help. I am planning to turn in the list of volunteers to the elementary office on February 6. If you are wanting to volunteer that day, please make sure you sign up before February 6. Thank you!!

This is the 3rd week of the quarter. Students should have 35% of the AR goal by this Friday, February 3. Their entire goal is due Wednesday, March 22. Please continue to check your child's progression on MyLLA as grades do fluctuate. All students have access to view their grades on MyLLA as well. I have been encouraging them to be checking on a weekly basis to see their progress.

Thank you for making sure your child keeps all of his/her S.S. projects until the end of the year for our classroom museum. To date, students have completed their Maya and Aztec final projects & gourds.

Have an amazing afternoon!
