Hello Parents:

I hope you are having a wonderful week. Wednesday folders will be sent home tomorrow. Thank you for signing and returning your child's folder on Thursday. We are getting close to the end of the quarter. Students should have 85% of their AR goal by this Friday, March 10. Students need to meet their entire AR goals by Wed., March 22. Please continue to be checking MyLLA on a regular basis. Grades do fluctuate.

Over the past week our classroom has come alive with some amazing rainforest animals that students have created. Students who did not complete their rainforest animal in class, should have brought the needed materials home last Friday. This project is due by Friday, March 17. Please note that the paper mache' does take time to dry, so students should not be waiting until the night before to complete their animal. We are working on our rain sticks right now; they will be going home by the end of this week. All completed rainforest animals and rain sticks need to be kept in a safe place at home until the end of the school year. We will be using them in our classroom museum.

Outdoor School Field Trip Forms were sent home on Monday. These forms need to be signed and returned by **Monday, March 13**. Please make sure on the "Permission for Medication Administration" page (2nd page) that you **initial** the lines for the medications you are authorizing our camp doctor to give to your child if needed. Here is a link to access the forms if you need an extra copy.
