

May 2, 2023

Hi Parents:

Wednesday folders will be sent home tomorrow along with a swim party field trip form. Please sign your child's folder and return it on Thursday. Please return the swim party form by Tues., May 9. Students should have 60% of their AR goal by this Friday, May 5. Thank you for regularly checking your child's progress on MyLLA.

This week we are completing our Spring MAP testing. We are taking our tests in the classroom from 9:00-10:30 a.m. (Wed. and Thurs.) and 8:30-10:00 a.m. on Friday. Students do not need to prepare ahead of time for these tests.

Fourth quarter is flying by, and we are working on some projects in class. Students' will be presenting their Canada section 1 project this coming Monday. Time is given daily for the students to work on this project in class. This project must be typed and all students must include a hand drawn map of their province or territory and a hand drawn flag. It would be beneficial for your child to practice his/her presentation so he/she can pronounce all the words and be well-prepared on Monday.

Tomorrow, all 6<sup>th</sup> grade students will be given a copy of the Ch. 6 post-course test to take home if they want to review 6<sup>th</sup> grade concepts for their upcoming 7<sup>th</sup> grade math placement test. Students will be taking this test on May 18. Students can also review these concepts on IXL, in their math textbook and/or on the Big Ideas website. Please note that there is nothing your child needs to do to prepare for the math placement test, but students who would like to do some review may use this handout to help them do so.

Our class museum is scheduled for May 22-25. Students will be creating their own personal display with the Social Studies projects they have made throughout the year. They will be giving tours to grades TK-5 each day. All projects need to be in the classroom by Friday, May 19. Students can start bringing in their smaller projects on Thursday, May 18.

Our end of the year swim party will be at the Loma Linda Drayson Center on Tues., May 30. We do need chaperones for this field trip. Please mark the appropriate box on the back of the field trip form that will be sent home tomorrow in your child's Wed. Folder if you are able to help chaperone. If you need to drop off and pick up, you may do so. **You must be cleared by the school as a volunteer to chaperone. Please note it does take 3-4 weeks to be cleared if you have not already completed all of the paperwork.**

Have a wonderful evening!!

**Important Dates:**

May 1-5—6<sup>th</sup> grade Spring MAP testing in class from 9:00-10:30 a.m. We will be testing from 8:30-10:00 on Fri., May 5

## CLASSROOM NEWS:

**CH. 6 MATH TEST**—We will be having our Chapter 6 Math test **Monday, May 8**. Students are completing some review activities and practice tests to help prepare. Students are encouraged to review their work on the Big Ideas website and practice Ch. 6 concepts on IXL to help prepare for the final test.

**CANADA PROJECT**—This project is divided into two sections. **Section 1 is due Mon., May 8 and Section 2 is due on Thurs., May 25**. Students do have time to work on this project in class; however, some students may need to complete some of this project at home. This project must be computer generated, double spaced, and written in story form. Students have been provided hard copies of the requirements, but they can also view the requirements on Google Classroom.

**MUSEUM**—Our class will be hosting a Maya, Aztec, Inca, and Rainforest Museum **May 22-25**. **Students will be creating their own personal displays of their projects on their desks. Projects need to be in the classroom on Fri., May 19. Students may start bringing in their smaller projects on Thursday, May 18.**

**SWIM PARTY**—Our end of the year swim party will be at **the Drayson Center** on **Tuesday, May 30**. Students need to bring their bathing suits, a towel, and sunscreen. **If you are able to help as a chaperone driver please let me know.** You are welcome to drop off and pick up if you need to. Thank you!!

**END OF THE QUARTER**—The quarter ends Friday, June 2. **Students need to meet their AR goal by Wednesday, May 31. Please return all classroom AR books, resource books, textbooks and library books by Wednesday, May 31.**
