

Hello Parents:

I will be sending Wednesday folders home tomorrow. Thank you for signing and returning your child's folder on Thursday. If you have signed up to help chaperone for our Cal Skate field trip on Oct. 20 please make sure you have completed all of the volunteer paperwork and turned it in to the elementary office. You can view all the volunteer requirements here: <https://www.lla.org/about/volunteer>

The paperwork and a colored copy of your driver's license and car insurance must be submitted to the elementary office at least 2-3 weeks prior to your event. Please plan accordingly.

There is no school this coming Monday, October 10 due to a teacher in-Service. Also picture retakes are on Wednesday, October 12. Please let me know via email or the Remind App if your child needs to have his/her picture retaken. Mrs. Cortina sent out information last week on how to view your child's picture online. If you have further questions, you can contact the elementary office.

Maya final projects are due next Friday, Oct. 14. This assignment is to be completed at home. Students are being given class time to type the required circa card for their project. Please be sure that as we complete our Social Studies projects, they are kept in a safe place at home until the end of the school year. We will be creating a classroom museum with all of the projects in May. Items such as your child's gourd and Maya final project will need to be kept in a safe place. Thank you!!

There are 2 ½ weeks left of first quarter. Students need to meet their AR goal by Wed., October 19. By this Friday students should have 85% of their AR goal. Last week we completed an audio book worth 6 points that all students had the option to test on. To date we have read/listened to a total of 15.5 AR points in class. Please continue to check your child's progress on myLLA. Grades do fluctuate. Students also have access to view their grades and are encouraged to be checking their progress on a regular basis.

Have a great evening!!
