

Hello Parents:

Happy Wednesday! I hope you are having a wonderful week! Wednesday folders were NOT sent home today, but any graded work was given to your child to take home. By the end of this week, students should have 50% of their AR goal to be up to date. I want to encourage you to be looking at your child's progress on myLLA on a regular basis. Grades do fluctuate.

We have a class breakfast scheduled for Fri., Sept. 23! Please sign up if you are able to help or send in any of the supplies on this link:

Just a reminder that if you are wanting to volunteer, you need to complete the appropriate paperwork online as soon as possible. As we are starting to look at our class events, some parents are cleared through September 2022. Please check with the office for your current status so you don't miss out on participating in any of our class activities/field trips. The clearance process can take several weeks. The following link gives you the information <https://www.lla.org/about/volunteer>. We are planning some class breakfasts and activities. You will need to have the Basic Volunteer Forms completed in order to help in the classroom and participate in our first field trip to Cal Skate on Oct. 20. If you signed up to chaperone for our Outdoor Science School trip in April, you have to complete the Volunteer field trip extended overnight forms, TB Risk Assessment, & Live Scan. If you have any questions about these forms you can contact the elementary office at 909-796-0161 ext. 1001.

Have a wonderful afternoon!!

**LATE WORK**—I want to remind you that the **Sixth Grade late work policy is 50% off for 1<sup>st</sup> quarter and no credit for 2<sup>nd</sup>-4<sup>th</sup> quarters**.
