

Hello Parents:

Happy Tuesday! Wednesday folders & Cal Skate field trip forms will be sent home tomorrow. Thank you for signing your child's folder and returning it on Thursday. The quarter is flying by. First quarter ends on Fri., October 21. Students need to meet their AR goal by Wed., October 19. We will be finishing up a 2 point group literature book tomorrow that should help students with staying up to date with their weekly AR goal. By this Friday students should have 60% of their AR goal. Please continue to check your child's progress on myLLA on a regular basis. Grades do fluctuate. Just a reminder that late work for first quarter is 50% off.

We have a class breakfast scheduled for Fri., Sept. 23! If you signed up to bring something, please send it in by this Fri., Sept. 23. Thank you!!

The class will be taking their Ch. 1 math test on Wednesday, September 28. Students have been completing the end of the chapter review that includes extra review of all 5 lessons, an end of chapter quiz, two practice tests, and a cumulative practice test to help prepare for their final test. Students are encouraged to review the lessons we covered in class by looking through their math journals. They are also encouraged to review their online assignments. They can do this by logging into the Big Ideas website, <https://bigideasmath.com/BIM/login>. After they are logged in they can view all the assignments they have completed by clicking on "submitted." Students can see what the correct answers are if they missed any questions. They can also watch videos to help them on questions they missed. There is also a section for students to practice skills that are used in this chapter. This website has a wealth of information!

Students received their contracts last week for their Maya final project. This assignment is to be completed at home and is due on Friday, October 14. Students will be given class time to do research and decide what they would like to make. They will also be given class time to type a required circa card for their project.

A friendly reminder that ALL adult volunteers helping in the classroom or chaperoning on a trip need a Sterling background check. To apply for a background check, please visit: <https://www.lla.org/about/volunteer> Paperwork and colored copy of your driver's license and car insurance must be submitted to the elementary office at least 2-3 weeks prior to your event. Please plan accordingly. **Unfortunately, if you do not clear in time, you will not be able to participate. Our first field trip is Oct. 20. We are going to Cal Skate. Please talk to Mrs. Son or Mrs. Cortina in the elementary office if you have any questions about this process.**

Have a terrific evening!

IMPORTANT DATES

- Sept. 23—Class Breakfast (Sign up on to help or send food in <https://www.signupgenius.com/go/5080D45A9A623A4F58-class>.)

CLASSROOM NEWS:

CH. 1 MATH TEST—Students will have their **Ch. 1 math test Wednesday, September 28.** . Students have been completing the end of the chapter review that includes extra review of all 5 lessons, an end of chapter quiz, two practice tests, and a cumulative practice test to help prepare for their final test on Thursday. Students are encouraged to review the lessons we covered in class by looking through their math journals. They are also encouraged to review their online assignments. They can do this by logging into the Big Ideas website, <https://bigideasmath.com/BIM/login>. After they are logged in they can view all the assignments they have completed by clicking on “submitted.” Students can see what the correct answers are if they missed any questions. They can also watch videos to help them on questions they missed. There is also a section for students to practice skills that are used in this chapter. This website has a wealth of information!

MAYA FINAL PROJECT—Final projects are due **Friday, October 14.** This assignment is to be completed at home. Be sure your child has a **typed** circa card with his/her project.

FIRST QUARTER ENDS—First quarter ends **Friday, October 21.** Please remember students need to meet their Accelerated Reader goal by **Wednesday, October 19.**

LATE WORK—I want to remind you that late work is 50% off for 1st quarter and no credit for 2nd-4th quarters. Please help your child to remember to bring all homework back to school. Students do have 2 homework passes that can be used in this situation as well. I do not allow students to call home to ask a parent to bring the work in.
