

Hello Parents:

Happy Tuesday! I hope you enjoyed the long weekend. ☺ I will be sending home Wednesday folders tomorrow. Thank you for signing and returning your child's folder on Thursday!

By the end of this week, students should have 35 % of their AR goal to be up to date. We will be finishing our group literature book, *From the Mixed up Files of Mrs. Basil E Frankweiler*, on Thursday. Students will be given time to test on the book on Thursday; it is 5 points. Hopefully this will help students who need a little boost. Please be checking your child's progress on MyLLA on a weekly basis. Grades can fluctuate, and I want to be sure you are aware of how your child is doing.

Fall Map Testing starts tomorrow for our classroom. We will be taking a test each day for the rest of this week from 9:00-10:30 a.m. We will take our fourth and final test on Wed., Sept. 14. Students do not need to do anything to prepare for the test. You can help your child do his/her best on this test by making sure he/she gets a good night's sleep (at least 8 hours) and a nutritious breakfast.

The classroom news for the week is on the next page. This information can also be found on the class website, www.lla.org/hubbard. Just a reminder that students are completing their agendas on a daily basis and are getting points for having their parent(s) initial that they have seen their child's agenda. If there is ever a question as to what homework is for the night, you can check the class website and your child's agenda.

If you are wanting to volunteer, please complete the appropriate paperwork online as soon as possible. This can take several weeks to process. The following link gives you the information <https://www.lla.org/about/volunteer>. For our first field trip to Cal Skate on Oct. 20, you would need to have the first option (Volunteer Field Trips Basic Drivers) filled out. If you signed up to chaperone for our Outdoor Science School trip in April, you have to complete the second and third option (Volunteer field trip extended overnight and Live Scan). If you have any questions about these forms you can contact the elementary office at 909-796-0161 ext. 1001.

Have a wonderful afternoon!!
